

ASATEX[®]

CoverFlash[®]

The lightweight and robust barrier material.

Complete range of coveralls and accessories for professional disposable protection in laboratories, industry and research.

Disposable protection clothing

THE LIGHTWEIGHT AND ROBUST CHEMICAL PROTECTION SUIT

Art. CF5

Protection against chemical splashes, infectious agents and radioactive contamination

Single-layer breathable fabric: very light, robust, breathable and low-linting

With antistatic finish

3-part hood, flexible with head movements for a clear field of vision

Elasticated drawstring for optimum adjustment and closure of the hood to masks or goggles

Highly visible chest logo

Practical 2-way zip

Elasticated waist

Presilhas para os polegares

Self-stopping zip, prevents accidental opening

Secure zip cover

Elasticated arms and legs for optimum fit with gloves and boots
